</tr>
<tr>
<td>Ann D’Amico</td>
<td>Joe Filippo</td>
</tr>
<tr>
<td></td>
<td>Brian Mader (Late 6:50)</td>
</tr>
</tbody>
</table>

Matters discussed:

- Corrections to the Drainage Policy were made.
- Residents on Eastlawn and Colony – long history of issues.
- Several have used the drainage policy and reported issues (they go to Building Director)
- Thom brought up the point that NEORSD has 25% of the fee’ collected from residents to potentially fund correction of City drainage issues. The City cannot perform corrections to individual homes.
  - City can act as a point if several homeowners wanted to work together.
- Reviewed the topo map provided by Brian
- Sean asked for input on a letter to the ten (10) residents.
- Intent is to finalize letter, then host QA with residents in the future.
  - Keep to 1 hour
  - Ask residents to answer questionnaire prior to meeting
- Reviewed several dates to time the letter such that we give residents about 3 weeks to respond

Submitted by: Sean Milroy
Chairman – Drainage Committee
