Matters Discussed: _____

Moving Expenses: Ron Brickman won the bid to move out police and fire ~~to~~ into the trailers.

850 Brainard (Basement):

This is a medical building. Per the state safety codes an emergency radio communications system. They are currently not able to communicate with our police and fire. Chief Turner will reach out building owner (Michael Johnson) to discuss a plan to have this installed by March 2024. This has been identified since 2021.

Shower / Restroom Trailers for Police/
Fire renovation project. ~~Trailer~~

Generator Replacement Project part of the
police / fire building renovation project. ECS
will design and manage this portion of the
project.

~~Over the to~~

~~Down the~~

In the near future looking to update
city fire codes for commercial Kitchens
