*******CONSTRUCTION NOTICE*******

2019 ROAD REPAIR PROGRAMS

The City of Highland Heights has awarded two contracts for road maintenance repairs at various locations throughout the City.

ASPHALT PROGRAM

This year's Asphalt Program will include paving repairs on Highland Road; Wilson Mills Road; and Ridgebury Boulevard and a few miscellaneous locations in neighborhoods. The project also includes paving repairs and an additional parking area in the City Park. Work in the park is already underway and should be completed by June 1st.

The 2019 Asphalt Road Program has been awarded to Specialized Construction of Cuyahoga Heights, Ohio at a cost of \$352,470.00.

CONCRETE PROGRAM

This year's Concrete Program will include full depth concrete repairs; catch basin repairs; sidewalk repairs; and other miscellaneous work in the following neighborhoods: Aberdeen; Maypine Farms; all concrete streets south of Wilson Mills and other miscellaneous locations.

The program also includes complete replacement of the right turn lane on Wilson Mills Road from the freeway west to Alpha Drive and miscellaneous repairs on Bishop Road. The County will partner with the City and has agreed to a 50/50 cost share for this work.

The 2019 Concrete Program has been awarded to Vandra Brothers Construction of Oakwood Village, Ohio at a cost of \$905,504.00.

Property owners will be given advance notice of any work that could inhibit the use of their driveways. When driveways are not accessible, we will work with the contractor and the police department to make arrangements for overnight parking on the street.

Questions should be directed to the Service Director or the City Engineer at the contact numbers provided.
