Every year, hundreds of children participate in the Highland Hts. Baseball, Softball and T-Ball Programs. Volunteer coaches spend countless hours teaching children not only the techniques of the game, but good sportsmanship and team play. In 2019, approximately 150 children, ages 4-6, participated in the Highland Hts. T-Ball Program.

More information about T-Ball, Baseball and Softball is available on pages 4-6.

Each year, Recreation Director David Ianiro leads the pack for the Annual Neighborhood Bicycle Ride from the Highland Hts. Community Park through neighboring communities. Information about the event is on page 14.
